

To: All Wheelchair Rugby Participants

Date: 12 April 2011

Topic: Use of Double Bars on Back Rest.

The Equipment Committee was asked to review the use of 2 back bars on rugby wheelchairs,

After exhaustive discussions and reviews the Committee as recommended that the use of two (2) or more bars on the back rest should be prohibited in Wheelchair Rugby.

This ruling is effective immediately

Regards

Stan Battock
IWRF Technical Commissioner
